Authorizes contracts with a private entity to paint the flag of the United States and "God Bless America" on the roof of the Louisiana Superdome. (gov sid)
The proposed legislation authorizes the board of commissioners of the Louisiana Stadium and Exposition District (LSED) to contract with a private entity to paint, at no cost to the district, the flag of the United States and "God Bless America" on the roof of the Louisiana Superdome. Provides that such contract shall not be subject to public bidding.

Table with columns: EXPENDITURES, REVENUES, 2003-04, 2004-05, 2005-06, 2006-07, 2007-08, 5 YEAR TOTAL. Rows include State General Fd., Agy. Self-Gen., Stat. Deds./Other, Federal Funds, Local Funds, and Annual Total.

EXPENDITURE EXPLANATION:

The proposed legislation would require that the LSED contract with a private entity to paint, at no cost to the district, the flag of the United States of America and the phrase "God Bless America", on the roof of the Louisiana Superdome. The contract shall not be subject to public bidding requirements under the public bid law. The LFO assumes that alternative means of financing such as a SGF appropriation or private funds will be required as this legislation states that this project will be performed "... at no cost to the district".

The cost to paint the roof of the Superdome in this manner is estimated by the LSED to be approximately \$300,000 to \$350,000 for the initial painting. In addition, the LSED estimates that approximately \$50,000 will be expended annually for maintenance of the painting. Finally, the LSED estimates that the roof will have to be repainted every five years.

Note: Additional cost may be experienced if public bid law is not followed as is authorized in this legislation.

REVENUE EXPLANATION:

There is no anticipated direct material effect on governmental revenues as a result of this measure.
