2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

SB2076 redefines resident student for tuition purposes to add all members of the state national guard, spouses and dependents of active duty military personnel (regardless of where the service member is stationed) and spouses and children of disabled vets or vets killed in action (regardless of legal residency of the vet). Only a few members of the National Guard do not now qualify for resident tuition status, or for reciprocity status under the Minnesota reciprocity agreements, but making all members automatically eligible for resident tuition may help recruiting efforts. As a result, there is no projected material fiscal impact to the NDUS based on the proposed changes.
